The Court orders that these appeals are CONSOLIDATED to advance the efficient administration of the appellate process.

The Court orders that the motion for immediate consideration is GRANTED.

The Court orders that the motion to dismiss pursuant to MCR 7.211(C)(2) is GRANTED and the claims of appeal are dismissed as the October 19, 2007, order is not a final order under MCR 7.202(6)(a)(i). As demonstrated by Security Financial Management Company's docketing statement there is still litigation ongoing in the circuit court even after these claims of appeal were filed.
